GENERAL UPRISING

An Insurrection in the Vilayet of Salonica, East of the Vadar River.

DIVIDED INTO EIGHT DISTRICTS.

Each Commanded by a Bulgarian Officer With Gen. Zontcheff as Commander-in-Chief.

Alleged That the First Three Divisions of the Bulgarian Army at Philippopolis, Sofia and Silivac Was Called Out.

Salonica, European Turkey, Sept. 16.—A general insurrection in the vilayet of Salonica, east of the Vadar river, is announced to have begun Monday. The region is divided into eight districts, each commanded by a Bulgarian officer. Gen. Zontcheff, president of the Macedonian committee, is the commander-in-chief.

Sofia, Sept. 16.—No important step is likely to be taken at the present critical juncture, pending the return to the capital of Prince Ferdinand and a reply from the powers or some intimation from them in response to Bulgaria's note.

The air here is filled with rumors of mobilization. It is alleged that the first three divisions of the army, having their centers at Sofia, Philippopolis and Silivac, have been called out in official quarters, however, it is declared that the only step actually decided upon is the summoning to colors of the first three divisions, who retired from the army during the last three years. This will give a force of some 10,000 men who will be chiefly employed in strengthening the troops along the frontier.

It is expected that a week will suffice to enable the ministry to judge of the extent to which its final appeal to the powers is likely to prove successful. Doubts are expressed in diplomatic circles whether the Bulgarian note will bring any decisive results, but there is every disposition to recognize the sincerity of the ministry's attitude and its complete justification for issuing such a document in view of the immense forces that Turkey is gathering in threatening close proximity to the Bulgarian frontier.

More fighting is reported from the vilayet of Monastir. A large body of troops sent to Pelister mountains to disperse the bands concealed there were attacked by the insurgents and suffered heavy losses from bombs. The Turks also lost many men in a fight near the monastery of Kamikia at Okrida. It is announced that a detachment of Turkish troops which went to the Greek monastery of Bareshani, near Monastir, to seek a number of revolutionaries supposed to be hiding in the building, finding none there, set fire to the monastery and killed the servants and the women. At Konskiglav, near Losengrad, a body of Turkish infantry and cavalry, accompanied by a mountain battery, fought a three hours' engagement with a number of insurgents. The Turks had 30 killed and many wounded.

EXPLOSION IN THE BASEMENT.

Broadway National Bank Building Gutted By Fire.

New York, Sept. 16.—The Broadway National Bank building at No. 327 Broadway, corner of Park place, was gutted by fire early Wednesday morning. At 2 o'clock there was an explosion in the basement from some unknown cause and the fire immediately followed the elevator shaft to the roof. The whole interior of the seven-story building was soon ablaze, but the prompt work of the fire department prevented the spread of the flames to adjoining buildings. The structure was one of the oldest in its neighborhood. The Broadway national bank had moved to new quarters several weeks ago.

FOR FALSE IMPRISONMENT.

P. J. Lynch and W. P. Reilly to Bring Suit Against Gov. Peabody.

Cripple Creek, Col., Sept. 16.—County Commissioner Patrick J. Lynch and Justice of the Peace W. P. Reilly, who were arrested by the military Monday night and subsequently released Tuesday announced their determination to bring civil suits for \$100,000 damages for false imprisonment against Gov. Peabody, Gens. Bell and Chas and others connected with their arrest whom they will charge with conspiracy. Lynch and Reilly were charged with having criticized acts of the militia and counseled miners not to return.

Washington, Sept. 16.—Postmaster General Payne left here Tuesday night for Virginia Hot Springs for a week's vacation.

PANIC AT A CARNIVAL.

The Wind Overturned Two Cages Containing Lions.

East St. Louis, Ill., Sept. 16.—During a heavy thunderstorm late Tuesday the heavy wind overturned two cages containing lions in a park where the East St. Louis fall carnival is in progress. The cry was raised that the lions had escaped and a panic ensued. In the driving rain, men ran terror-stricken and many women fainted. Many took refuge in a tent which soon after fell, adding to the uproar. When the rain had moderated it was found that the lions were still imprisoned in their cages overturned, and that no persons had suffered serious injury in the panic.

In St. Louis several buildings were struck by lightning during the storm. In the southern part of the city the rainfall assumed the nature of a waterspout and water stood over two feet deep in the streets. Street car traffic was blocked for over an hour.

SHOT HIM DEAD.

A Sheriff's Posse Searching For Harry Cralk and Green Strong.

Lexington, Ky., Sept. 16.—A message from Booneville, Ky., says that a sheriff's posse has been seeking Harry Cralk and Green Strong, accused of the killing of their friend, Jason Isaacs, 26, while he was returning to his home, near Booneville, at night. It is claimed he met the two men, and invited them home with him, but resented a remark they made about his newly wedded wife. He feared trouble, and went to a friend's house and secured a shotgun. It is claimed the men intercepted Isaacs later and shot him dead.

ANIMAL TRAINER HURT.

The Lioness He Was Training Flew at His Throat.

Louisville, Ky., Sept. 16.—"Sultana," a lioness of the Ferari Bros.' carnival, sprang at the throat of her trainer, Capt. Peter Cardona, Tuesday afternoon and bit him five times, lacerating his arm, which he had thrown up to protect himself. Employees of the wild animal show sprang to the rescue with iron poles and pistols, shooting and poking the animal away. Cardona was carried to the hospital on the carnival grounds and his wounds were cauterized. He will recover. "Sultana" has killed four men.

W. E. Gatlin Was Acquitted.

Henderson, Ky., Sept. 16.—W. E. Gatlin, charged with the murder of Cabell Beverley, in this city, the latter part of March of the present year, was acquitted by a jury in the circuit court. Previous threats and self-defense was the plea put up by his attorneys. Gatlin is a tobacconist, and is well known in Louisville society circles.

Fifty Shots Exchanged.

Sergeant, Ky., Sept. 16.—Deputy Sheriffs "Bear" Johnson and George Ison surprised David and John Hollinsworth, brothers, and Hart Kelley, brother to Jim Kelly, who escaped from the Whitesburg jail a week ago, and arrested them on Elkhorn creek, after a fierce fight, in which 50 shots were fired.

Lexington Hospitals Are Crowded.

Lexington, Ky., Sept. 16.—The hospitals in Lexington are so crowded that no more patients can be taken. A little girl was transferred from the Good Samaritan to St. Joseph's, but that institution could not accommodate her, and she was sent to Louisville. There are numerous cases of typhoid fever.

Shot at Railway Employees.

Cynthiana, Ky., Sept. 16.—A man was arrested here on the charge of attempting to kill Everett Thompson, conductor, and a brakeman on an L. & N. freight train. The conductor and brakeman put him off the train and he drew a pistol and shot three times at the conductor and twice at the brakeman.

A Kentucky Victim.

Frankfort, Ky., Sept. 16.—The cases of Gov. W. S. Taylor, ex-Secretary of State Charles Finley, Capt. John L. Powers, a brother of Caleb Powers, and others, charged with complicity in the Goebel murder conspiracy, were called in the Franklin circuit court and continued.

Washington, Sept. 16.—Fort Yates, N. D., has been abandoned as a military post and the troops stationed there have been transferred to Fort Lincoln, N. D.

SUBMARINE BOATS

THE JETT MURDER TRIAL.

Judge Decides That the Case Must Be Tried in Cynthiana.

Cynthiana, Ky., Sept. 16.—In the case of Curtis Jett, now on trial here for the alleged assassination of Jim Cockrell at Jackson, Ky., on July 21, 1903, after 15 witnesses had been introduced for the defendant and 11 for the Commonwealth, on motion of defendant for change of venue, Judge Osborne decided that the case should be tried here and at once, indicating that if no jurors could be selected from this county that he would order Sheriff Leach to go to other counties and summon jurors. Twenty-four men were on regular panel for this term of court and of this number seven men have been accepted as jurors and at the close of court Tuesday afternoon the judge said he would draw the names of 50 men from the wheel and they would be given to the sheriff and his 13 deputies to summon here by 9 o'clock Wednesday morning.

HELD STREET SERVICES.

A Detachment of the Salvation Army at Winchester, Ky.

Winchester, Ky., Sept. 16.—A detachment of the Salvation Army, commanded by Col. Richard E. Hoiz, of Cleveland, O., were here Tuesday afternoon and held services on the street. A large crowd was present and manifested much interest in the proposed invasion of the mountain counties. They left for Jackson, where they will procure horses and proceed eastward to the Virginia state line. It is believed here that much good will result from the trip.

Jackson, Ky., Sept. 16.—The Salvation Army arrived here Tuesday night and held a brief meeting on the streets which was fairly well attended.

THREE THOUSAND PRESENT.

Stirring Speeches by Congressmen Kehoe and Gooch at Carrollton.

Carrollton, Ky., Sept. 14—Hon. D. Linn Gooch and Congressman Kehoe, of the Ninth district, spoke here to-day. Three thousand people gathered around the stand on the court house lawn. Mr. Kehoe spoke at length showing that not one word of Belknap's answer to Beckham's speech was in favor of the common people, ignoring as he did the school book law, justifying the murderers of Goebel by claiming partisan trial.

Hon. D. Linn Gooch followed, entertaining the people on national politics, as he claims Mr. Kehoe left him nothing to say on State affairs, after which the different candidates for Commonwealth's Attorney spoke.

TO RECLAIM LANDS

Eleventh National Irrigation Congress Begins a Session in Ogden, Utah.

MANY PROMINENT MEN PRESENT.

There Remains in the Arid and Semi-Arid Zones About 600,000,000 Acres of Vacant Land.

There is Sufficient Water Available Under the Storage System to Irrigate About One-Sixteenth of That Amount.

Ogden, Utah, Sept. 16.—Twenty-six states and territories of the union are represented at the 11th national irrigation congress, which began a four days' session in the Ogden tabernacle Tuesday, this being the largest number ever represented since the beginning of the movement for the reclamation of the arid west, showing how the movement has taken on a national instead of a sectional scope, delegates were present even from New York, Pennsylvania and Vermont, while from the states of the western plains and mountains and representatives of the state and municipal government and commercial organizations of all kinds came by the hundreds. The convention in fact has run away with the officers of the congress so great is the numbers of delegates already on the ground, and so many more coming in on every train, that the seating capacity of the tabernacle is totally inadequate. An international aspect was lent to the proceedings by the presence of two reports of foreign governments, Mexico and France, while the government at Washington was represented by Secretary of Agriculture Wilson.

Gov. Wells, of Utah, in his speech of welcome, and President W. A. Clark, in his response, that "The time has come to do things" was heartily cheered. Important results, beneficial to the cause of the irrigation are confidently expected by both delegates and officials from the present congress and the first resolution, introduced by Senator Burton, of Kansas, favoring the conserving of the flood waters of the great rivers as a part of the scheme of irrigation of the west was received with so much favor that there seems to be no doubt that such action will be overwhelmingly favored.

It is estimated that there remains in the arid and semi-arid zones about 600,000,000 acres of vacant public lands and there is sufficient water available under the storage system to irrigate about one-sixteenth of it. The area already occupied and irrigated is six and one-half million acres. If in the next 30 years the government should provide reservoirs sufficient to reclaim 20,000,000 acres at an expense of \$10,000,000 annually which is very conservative estimate, as that amount will be easily realized from the sale of land. The land reclaimed will provide homes for at least twelve to fifteen million of people which, with the immense property value necessarily created, will constitute a magnificent contribution to the wealth and glory of the nation.

SNOW FLURRIES IN NEBRASKA.

At Midnight the Temperature Was Down to Freezing Point.

Lincoln, Neb., Sept. 16.—With a clear sky at midnight and temperature down to the point of frost, vegetation in Nebraska was being slightly nipped Tuesday night. The weather, however, is not cold enough in Eastern Nebraska to materially damage corn, much of which is late and needs many days of sunshine. There were light snow flurries Tuesday in the northwestern part of the state.

Omaha, Neb., Sept. 16.—Reports from 50 of the 70 counties in the corn belt of Nebraska, received up to midnight, indicate that frost was general in the state Tuesday night. In many localities it is killing, in others light. Crop bureau estimates place the damage to corn at 25 per cent.

The report sent in to conference at Cynthiana by the churches under the care of Rev. J. D. Dickey—Washington and Hebron—was pronounced the most satisfactory of any in this district, composed of nineteen churches. The two churches under the pastoral care of Rev. Mr. Dickey contributed the past year, for all purposes, a total of \$1,200. None of this went for church or parsonage repairs, but purely for gospel work.

There will be the finest free amusement shows that the country affords for fair purposes, including many feats of daring never before seen in this State.

This is one of the most thrilling and dangerous feats ever enacted by any person. This attraction alone is worth twice the price of admission to the fair.

REDUCED RAILROAD RATES.

All railroads entering Owensboro have granted a rate of one fare and 25 cents extra for the round trip. The L. H. and St. L. will run excursions from Louisville to Owensboro and return on Tuesday, and Friday, leaving Louisville at 7 a.m. and arriving at Owensboro at 10 a.m. Returning, the train leaves Owensboro at 6 p.m. and reaches Louisville at 9 p.m.

BRIDAL TRIP ON HORSEBACK,

From Cincinnati to Washington in 1816,
Recalled by Article in Commercial
Tribune.

The attention of a BULLETIN correspondent has been called to an article in the Commercial Tribune which relates to a bridal trip from that city to Washington, this county, in 1816.

It was the occasion of the marriage of Col. Marshall Key to Miss Harriet Sellman, of Cincinnati, and the trip was made on horseback. The writer, with others from that city, remained at Washington taking part in the festivities for several days, and relates a good deal about people of that time, well remembered now.

Our correspondent was shown the white satin slippers, still well preserved, worn by the bride at the time. They are very small, not more than one or one and one-half in size. The price on the sole, marked in ink, is yet very plain. They are in the possession of a Washington lady.

Judge Thomas M. Key, late of the Queen City, was a son of the couple mentioned.

The article in the Commercial Tribune, referred to above, has a picture of the Marshall house at Washington, where Capt. Thomas Marshall, the older brother of Chief Justice Marshall, then lived, and also a picture of the old court house. The conclusion of the article dealt with a good many Maysville people also. The author is one of the celebrated Symmes family of Hamilton County.

LATE CORN AND TOBACCO INJURED BY THE DROUGHT, WHICH HAS BEEN SEVERE OVER MUCH OF THE STATE.

[WEEKLY BULLETIN OF WEATHER BUREAU SEPT. 15TH.]

VERY HOT WEATHER PREVAILED DURING THE WEEK, WITH LOCAL SHOWERS. IN THE EXTREME NORTHERN COUNTIES THE RAINFALL WAS SUFFICIENT TO BREAK THE DROUGHT, BUT OVER THE GREATER PART OF THE STATE THE DROUGHT IS BECOMING SEVERE.

TOBACCO CUTTING PROGRESSED WELL AND ABOUT HALF THE CROP IS HOUSED. THE EARLY TOBACCO IS GENERALLY GOOD, BUT THE LATE FIELDS HAVE BEEN INJURED BY THE DROUGHT. CONSIDERABLE HAS BEEN CUT GREEN, ON ACCOUNT OF "FIRING" FROM THE DROUGHT. THE EARLY CORN IS NEARLY MATURED AND CUTTING WILL BE IN PROGRESS DURING THE ensuING WEEK. EARLY CORN IS GENERALLY GOOD, BUT THE LATE PLANTING HAS SUFFERED SEVERELY FROM DROUGHT, EXCEPT IN THE EXTREME NORTHERN COUNTIES, WHERE IT IS GOOD.

PLOWING FOR WHEAT HAS PROGRESSED SLOWLY ON ACCOUNT OF LAND BEING TOO DRY TO BREAK. PASTURES ARE DRYING UP AND IN MANY PLACES WATER FOR STOCK IS BECOMING SCARCE. GARDENS ARE ABOUT DRIED UP AND APPLES ARE DROPPING VERY BADLY AND WILL BE A SHORT CROP.

SORGHUM IS GENERALLY REPORTED TO BE IN GOOD CONDITION AND THE FORAGE PEAS CROP IS FAIRLY GOOD.

POTATOES ARE PRACTICALLY A FAILURE IN THIS COUNTY.

THE RED MEN'S BAND WILL FURNISH MUSIC FOR THE ABERDEEN FAIR.

A STATEMENT OF THE CONDITION OF THE FIRST NATIONAL BANK APPEARS IN TO-DAY'S ISSUE. IT SHOWS UNDIVIDED PROFITS OF \$27,253.71 AND INDIVIDUAL DEPOSITS OF \$291,905.23.

Thos. R. Phister, Attorney for Plaintiff.

Mr. H. D. Knight reports that crops in Southern Kentucky are pretty much the same as those here, some fair and some indifferent.

Kentucky has been divided in two districts as far as Elkhorn is concerned,—to be known as the Eastern and Western districts. The Eastern district embraces Frankfort, Georgetown, Paris, Winchester, Mt. Sterling, Lexington, Richmond, Danville, Maysville, Ashland and Cynthiana. John H. Stuart, of Frankfort

has been appointed Deputy Grand Exalted Ruler for the Eastern district.

Use These Spices!

If you have a recipe calling for a certain spice or for mixed spices, it means that the best is needed to produce the desired flavor. The writer of the recipe you use, had in mind only perfect full flavored spices; if you use the ordinary ones, results must be unsatisfactory. We have the better kind, the very choicest the world produces—and this is the kind you should have.

MIXED SPICES

We have the finest lot of these you have ever seen. Blended perfectly. Cost no more than the worthless kind. We wish also to supply your sealing wax, paraffine, cork, curcuma, etc.
